

Captain Rocket Bird

The Captain Rocket Bird Demo delivers action-packed, character-driven fun with fully rigged bird models. Each bird is equipped with boots and armed with rocket launchers, bringing a unique twist to your stylized 3D games.

This demo version includes:

- 1 fully rigged bird character
- Smooth animations: Idle, Walk, Run
- Optimized performance
- Ready for integration into Unity projects

Ideal for:

- Indie developers
- Mobile games
- Stylized 3D projects

Upgrade to the premium version to unlock:

- 5 unique bird characters
- 7 core animations
- Enhanced personality and animation variety
